FREE WILLS

Unfortunately Wills are a necessity in life that most people prefer not to have to turn their minds to.

The two most common events that trigger the need for clients to contact us to make a Will are usually overseas travel or retirement.

Even though flying is one of the safest ways to travel so many people leave it until only a matter of days before they are departing to contact us to complete a Will.

One thing that is sure in life is that we are all going to die. What we don't know is when that is going to happen and of course we all hope it happens a long time in the future.

However every adult should have a Will that should be reviewed on a regular basis (approximately every five years).

Collins & May Law have for quite sometime now offered a Free Will service. This can either be done on our website at www.freewills.co.nz or if requested we can email a form that can be completed and faxed, scanned and emailed or posted back to our office.

When it is free there really is no excuse not to have a Will.

We recently had a booth at the

Wellington Home and Garden Show to promote our Free Will service and as part of that promotion had a \$1,500.00 free travel draw.

We would like to congratulate Jessie Barry who was the lucky winner of that travel draw. We have no doubt she is now planning her next overseas travel to some exciting destination.

As our service is a free service there is no excuses. Don't leave it until you are about to leave the country on holiday. Either go to our website or contact our office to complete your

Will.
