WELCOME TO 2019

We hope 2019 is off to a great start for you. Hard to believe we're into February already!

The Collins & May team are excited to kick into a New Year and are pleased to let you know we are still offering our *Free Wills* and *20 Minute Free Family Trust Consultation* promotions:

Free Wills

It is always a good idea to have a Will in place setting out directions in the event you pass away. These include who you appoint to administer your estate, how you would like your assets dealt with including any gifts you wish to make, appointment of guardians and funeral directions.

If you already have a Will in place, your circumstances may have since changed which could affect your Will. For example acquiring new assets, the addition of children or grandchildren to your family or if a party named in your Will has passed away. A will is

revoked upon marriage or entering into a civil union (unless the Will is entered into in contemplation of the marriage or civil union).

Please feel free to visit our website www.freewills.co.nz to submit a form online. We will send you a draft for your review and can then arrange a time for you to pop into the office to sign.

20 Minute Free Family Trust Consultation

If you're thinking of setting up a Family Trust or if you want to know if setting up a Trust is right for you, please feel free to give one of our team a call.

Don't forget to tell your friends and family about these promotions too.

All the best for a great 2019!
